The Summer Youth Corps at Foundations Community Partnership

The Summer Youth Corps at Foundations Community Partnership provides paid Human Service Internship opportunities for motivated college students from Bucks County, Pa who are entering their second or third year in college.

Mary Cossolini, Tabor Children's Services

Interns are "matched" with selected Bucks County, non-profit human service organizations during the summer for a 10 week paid internship program with the opportunity to earn college credits.

Service

The 10 week, 400 hour program includes:

- Orientation
- Service
- Training and Supervision

Learning

This internship offers 3 college credits through Bucks County Community College. Credits may be available through other colleges/universities. All interns are required to participate in the "Academic" component of the program including:

- Goal Setting
- Journaling
- Research
- Final Paper
- Oral Presentation
